Subject: Final Actions from Spring 2008 Undergraduate Policies and Curriculum Committee, the Graduate Policies and Curriculum Committee, and the Faculty Senate

Approved Undergraduate Policies and Curriculum Committee Recommendations

These approvals are reflected in the 2008-2009 undergraduate catalog.

Board of Regents

The Board of Regents, at its meeting on March 18, 2008, approved the establishment of a Bachelor of Arts with a major in Dance.

Bagwell College of Education

- BS in Elementary and Early Childhood Education makes the following changes to major:
 - MATH 3315 and MATH 3318 added to upper-division course requirements.
- BS in Middle Grades Education makes the following changes to major:
 - EDMG 4406 and EDMG 4407 revised to reflect changes to course titles and credit hours.
 - Professional Education Requirements revised so students take either EDRD 3330 or EDRD 4409, depending on their concentrations.
- PTEU removes EDUC 2130 from Teacher Education Admission requirements.

Coles College of Business

- BBA makes the following changes in policy:
 - GPA requirement for several courses adjusted from 2.875 to 3.0.
- BBA in Marketing makes the following changes to major:
 - MKTG 3800 added as a Major Field Elective for Marketing majors.
 - MKTG 4410 made a Major Field Requirement for Marketing majors.
 - Total Business Electives hours reduced from 9 to 6, maintaining the same total credit hours for the program.
- BBA in Professional Sales makes the following changes to major:
 - MKTG 3800 added as a Major Field Elective for Professional Sales majors.

College of Art

- BM in Music Education makes the following changes to major:
 - Program revised to fulfill education requirements and achieve criteria set forth in the National Association of Schools and Music (NASM) Standards and Competencies.
 - MUED 3371, MUED 3372, and MUED 4434 added as Teaching Field Requirements.

College of Humanities and Social Sciences

- BA in African and African Diaspora Studies makes the following program changes:
 - Major transferred from Department of History to the Office of the Dean, College of Humanities and Social Sciences.
- BA in English
 - Resident hour requirements added to Upper-Division Major Requirements; ENGL 3035 added to section I; WRIT 3170 added to section II; FILM 3200 added to section III.
 - 3000- or 4000-level ENGL/FILM/WRIT elective and 9 hours of upper-division electives added.
 - Free elective hours set at 21.
- BA in Geography makes the following changes to major:
 - Program restructured to remove concentration-specific tracks.
- BA in International Affairs makes the following changes to major:
 - Area F requirements restructured to better prepare students for major-related coursework.
 - Upper-division course options expanded and restructured to offer greater flexibility in major and to encourage study abroad.
- BS in Anthropology makes the following changes to major:
 - Program restructured to remove concentration-specific tracks.
 - Regrouping of classes by sub-discipline rather than by region and concentration.
 - Required upper-division hours increased to 39 to meet university-wide degree requirements.
- BS in Communication makes the following changes to major:
 - Courses added to increase emphasis on visual literacy and computer skills.
 - Program revised to accommodate curriculum changes made by introduction of the *Journalism and Citizen Media* concentration.
- BS in Geographic Information Science makes the following changes to major:
 - Program revised in response to 2007 AOL report.
 - Discontinued courses removed from offerings.
 - New GIS courses added to offerings.
 - Requirements revised to keep up with current methods and technologies.

- BS in Political Science makes the following changes to major:
 - Major hours reduced and course options increased to facilitate a more timely completion of the major.
 - POLS 2260 removed from lower-division hours to guarantee that students will take either a comparative politics or international relations course in the major.
 - Courses added as options in the Legal Studies concentration.
 - The PHIL 3301 or PHIL 3305 requirement eliminated.
 - Related Studies and Free Elective hours increased to promote flexibility in meeting requirements.

College of Science and Mathematics

- BS in Biochemistry makes the following changes to major:
 - CHEM 3050 changes name to Physical Chemistry.
- BS in Biology makes the following changes to major:
 - BIOL 2101 has been discontinued; the extra hours created by this change have been added to the upper-level biology electives.
 - The requirement of a second physics is moved into Area F to account for BOR limitations on Area F coursework.
 - Typographical errors corrected; course prefixes modified as needed to reflect changes made across the curriculum.
- BS in Biology Education makes the following changes to major:
 - BIOL 2101 has been discontinued; the extra hours created by this change have been added to the upper-level biology electives.
 - The requirement of a second physics is moved into Area F to account for BOR limitations on Area F coursework.
 - SCED 4415 split into two courses (SCED 4416 and SCED 4417).
 - Program hours reduced from 128 to 126 to bring its total closer to that of the Biology program.
- BS in Biotechnology makes the following changes to major:
 - BIOL 2101 has been discontinued; the extra hours created by this change have been added to the upper-level biology electives.
 - The requirement of a second physics is moved into Area F to account for BOR limitations on Area F coursework.
 - BTECH 4110 added as option.
 - BTECH 4310 added for students in the Cytogenetics track.
 - Non-science courses eliminated as possible electives.
- BS in Chemistry (Chem Ed track) makes the following changes to major:
 - SCED 4415 is changed to SCED 4416 and SCED 4417 to reflect changes made by Biology.
 - CHEM 3050 changes name to Physical Chemistry.
 - MATH 2202 added as required course.
 - Supporting Discipline Elective hours changed from 7 to 3 to accommodate the changes above.

- BS in Chemistry (Forensics track) makes the following changes to major:
 - CHEM 3050 changes name to Physical Chemistry.
 - MATH 2202 added as a required course.
 - Removal of requirement that research credit be on a forensic-related topic to allow more flexibility in the research experience.
 - Supporting discipline hours increased from 18 to 21 and free elective hours reduced from 10 to 7 to accommodate the changes above.
- BS in Chemistry (Gen Chem track) makes the following changes to major:
 - SCED 4415 is changed to SCED 4416 and SCED 4417 to reflect changes made by Biology.
 - CHEM 3050 changes name to Physical Chemistry.
 - MATH 2202 added as required course.
 - Supporting Discipline Elective hours changed from 7 to 3 to accommodate the changes above.
- BS in Chemistry (Prof Chem track) makes the following changes to major:
 - MATH 3310 changes from a required to a suggested course.
 - Supporting discipline credit hours may be any 3000-4000 level course in the College of Science and Mathematics.
- BS in Computer Science makes the following changes to major:
 - CS core restructured to meet student and job market needs, and to reflect separation of CS, IS, and ISA into separate disciplines.
- BS in Information Security & Assurance makes the following changes to major:
 - ISA core restructured to meet student and job market needs.
- BS in Information Systems makes the following changes to major:
 - IS core restructured to meet student and job market needs, and to reflect separation of CS, IS, and ISA into separate disciplines.

University College

- BS in Interdisciplinary Studies makes the following changes to major:
 - Program information text revised to include a minimum adjusted GPA requirement of 2.5, references to the “Interdisciplinary Studies Council” were replaced with “appropriate deans, department chairs, or program directors/coordinators,” and requirement for students to list learning outcomes for courses proposed in the curriculum were deleted.

Wellstar College of Health and Human Services

- BS in Nursing makes the following changes to major:
 - Program restructured for concentrations in Pre-Licensure and RN and to keep curriculum current and to accommodate changes made to course credit hours for NURS 4403, NURS 4412, NURS 4414, NURS 4416, and NURS 4417.

New Minor Programs of Study

- Asian Studies.
- Italian Studies.
- Peace Studies.

Revisions to Minor Programs of Study

- Minor in African and African Diaspora Studies makes the following program changes:
 - Minor transferred from Department of History to the Office of the Dean, College of Humanities and Social Sciences.
- Minor in American Studies makes the following program changes:
 - AMST 3710 added as a required course in Area 1A.
 - AMST 3760, AMST 3770, and AMST 3780 added as options in Area 1B.
- Minor in Information Systems makes the following program changes:
 - Program redesigned with three required courses (IS 2101, IS 2040, and IS 3020) and three electives from eight possible options.

New Undergraduate Courses

- AMST 3710. US in the World. 3-0-3. Prerequisite: ENGL 1102.
- AMST 3760. American Identities. 3-0-3. Prerequisite: ENGL 1102.
- AMST 3770. American Cultural Productions. 3-0-3. Prerequisite: ENGL 1102.
- AMST 3780. American Cultural Movements. 3-0-3. Prerequisite: ENGL 1102.
- ARED 3155. Art Education, Life Drawing. 2-0-2. Prerequisite: ART 2150 and ART 3000.
- ARH 4560. Italian/Dutch Baroque Art History, Materials and Applied Techniques. 3-0-3. Prerequisite: ARH 2850, ART 3150, ENGL 1101, ENGL 1102.
- ARH 4570. Caravaggio and the Spaniards. 3-0-3. ARH 2850, ART 3150, ENGL 1101, ENGL 1102.

- ARH 4680. American Landscape Painting. 3-0-3. ARH 2850, ENGL 1101, ENGL 1102.
- ASIA 3001. Understanding Asia. 3-0-3. Prerequisite: English 1102.
- BTECH 4110. Global Biotechnology. 3-0-3. Prerequisite: BIOL 3300.
- BTECH 4310. Cytogenetics Practicum. 0-10-5. Prerequisite: "B" or better in BTEC 4300 and "C" or better in BIOL 3327, approval of director of KSU Cytogenetics Technology Program.
- COM 2033. Visual Communication. 3-0-3. Prerequisite: ENGL 1101 and ENGL 1102.

- COM 3340. Digital Media Production. 3-0-3. Prerequisite: COM 2230 or COM 2205 and IS 2101.
- COM 3360. Photojournalism. 3-0-3. Prerequisite: COM 3330.
- COM 4100. Directed Applied Research. 1-3. Prerequisite: COM 3435 and consent of instructor and chair.
- COM 4440. Leadership Communications. 3-0-3. Prerequisite: COM 2205, and COM 4435, or permission of the instructor for non-majors.
- COM 4445. Advanced Digital Audio Production. 3-0-3. Prerequisite: COM 3340 and COM 3330.
- COM 4450. Advanced Digital Video Production. 3-0-3. Prerequisite: COM 3340 and COM 3330.
- COM 4485. Media Studies Capstone. 3-0-3. Prerequisite: COM 3435 and COM 4480.
- COM 4488. Multi-Media Visions of Community. 3-0-3. Prerequisite: COM 3435 and one of the following: COM 4420, COM 4440, COM 3360, or COM 4450.
- CS 2350. Object-Oriented Programming. 3-3-4. Prerequisite: CS 2301.
- CS 3610. Software Engineering. 3-0-3. Prerequisite: CS 2350 and CS 3310.
- CS 4545. Applied Cryptography. 3-0-3. Prerequisite: CS 4500.
- EDMG 4407. Methods and Management in the Middle Grades: Seminar. 3-0-3. Prerequisite: EDMG 3300. Co-requisite: EDMG 4406 and two of EDMG 4401, 4402, 4403, and/or 4404.
- GEOG 1102. Earth from Above. 3-0-3. Prerequisite: none.
- GEOG 4100. Directed Applied Research. 1-6. Prerequisite: any upper-division geography course; consent of instructor and chair.
- GWST 3050. Global Perspectives on Gender. 3-0-3. Prerequisite: ENGL 1102.
- IDS 3100. Interdisciplinary Research Methods. 3-0-3. Prerequisite: ENG 1102 & MATH 1107 (or equivalent math course depending on major).
- IS 2040. Web Development I. 3-0-3. Prerequisite: IS 2101 or department approval.
- IS 2080. Data Management. 3-0-3. Prerequisite: IS 2101 or department approval.
- IS 3020. Application Development. 3-0-3. Prerequisite: IS 2102 or department approval.
- IS 3040. IT Infrastructure. 3-0-3. Prerequisite: IS 2102 or department approval.
- IS 3080. Information Resource Management. 3-0-3. Prerequisite: IS 2101 or department approval.
- IS 3240. XML Services. 3-0-3. Prerequisite: IS 2040 and IS 3020.
- IS 3520. Enterprise Systems. 3-0-3. Prerequisite: IS 2080.
- IS 3540. Systems Design. 3-0-3. Prerequisite: IS 2060, IS 2080, IS 3020.
- IS 4220. Advanced Databases. 3-0-3. Prerequisite: IS 2080.
- IS 4540. Data Mining. 3-0-3. Prerequisite: IS 3580.
- IS 4880. Application Development II. 3-0-3. Prerequisite: 90 credit hours, IS 3540, IS 2040, IS 3040, IS 3220.
- ITAL 3306. Literature and Culture. 3-0-3. Prerequisite: ITAL 2002 or permission of the instructor.

Undergraduate Course Changes

- ACCT 2100. Change in Prerequisite to include *MATH 1101 or higher*.
- ACCT 4150. Change in Course Description to correct a misplaced modifier.

- ACCT 4300. Change in Course Description to better reflect the nature and content of the course.
- ARED 3302. Change in Prerequisite to *ART 2550*.
- ARED 3304. Change in Prerequisite to *ARH 2850 and ART 2550*.
- ARED 3306. Change in Prerequisite to *ART 2550*.
- ARED 3308. Change in Prerequisite to *ARED 3306 and admission to Teacher Education*; change in Course Description to reference need for admission to teacher education.
- ARED 4410. Change in Course Title and Course Description to reflect the course's concentration on intercultural issues; change in Prerequisite to include *admission to Teacher Education*.
- ARED 4425. Change in Prerequisite to include *admission to Teacher Education*; change in Course Description to better reflect the content of the course.
- ARED 4470. Change in Prerequisite to include *EDUC 2130*; change in Course Description to include information on student teaching approval.
- BIOL 2107. Change in Prerequisite to "*C*" or better in *CHEM 1211/1211L*; change in Course Description to remove reference to BIOL 2101.
- BIOL 2108. Change in Prerequisite to "*C*" or better in *BIOL 2107*; change in Course Description to remove reference to BIOL 2101.
- BLAW 4300. Change in Course Description to correct grammar and replace outdated terminology.
- BTECH 4100. Change in Course Title to *Molecular Genetics*; change in Course Description to better reflect the content of the course.
- CHEM 3050. Change in Course Title to *Physical Chemistry*; change in Prerequisite to "*C*" or better in *MATH 2202 and CHEM 2800*; change in Course Description to reflect the removal of the biological examples from the course content.
- CHEM 3361. Change in Course Description to more accurately reflect the content of the course.
- CHEM 3362. Change in Course Description to more accurately reflect the content of the course.
- CHEM 3601. Change in Course Title to *Physical Chemistry I: Rates of Reactions, Atomic and Molecular Structure and Spectroscopy*; change in Prerequisite to include *MATH 2202*; change in Course Description to more accurately reflect the content of the course.
- CHEM 3601L. Change in Prerequisite to "*C*" or better in *CHEM 2800/L, PHYS 2211 and MATH 2202*; added Co-requisite *CHEM 3000, CHEM 3601*.
- CHEM 3602. Change in Course Title to *Physical Chemistry II: Thermodynamics and Statistical Mechanics*; change in Course Description to more accurately reflect the content of the course.
- CHEM 3700. Change in Prerequisite to "*C*" or better in *CHEM 3361*.
- CHEM 3710L. Change in Prerequisite to "*C*" or better in *CHEM 3361L*.
- CHEM 3800. Change in Co-requisite to *None*; change in Course Description to include information for students in Forensic Chemistry track.
- CHEM 4620. Change in Course Description to more accurately reflect the content of the course.

- COM 1129. Change in Course Number to 2129.
- COM 1135. Change in Course Number to 2135.
- COM 2205. Change in Prerequisites to *COM 2129 and COM 2135*.
- COM 2230. Change in Prerequisites to *COM 2135 and COM 2129*; change in Course Description to more accurately reflect the scope of the course.
- COM 3330. Change in Prerequisite to *COM 2205 or COM 2230*.
- COM 3344. Change in Course Number to 4344; change in Prerequisite to *COM 2205 and 60+ credit hours; or permission of instructor*.
- COM 3345. Change in Course Title to *Group Communication*; change in Prerequisite to *COM 3345 and 60+ credit hours; or permission of instructor*.
- COM 3355. Change in Prerequisite to *COM 3335*.
- COM 3375. Change in Prerequisite to *COM 3335*.
- COM 4435. Change in Course Number to 3435; change in Credit Hours to 3-0-3.
- COM 4440. Change in Prerequisite to *COM 2205 and COM 3435; or permission of instructor for non-majors*.
- COM 4455. Change in Course Title to *Organizational Communication Audits*; change in Prerequisite to *COM 2205 and COM 3435 and 90 credit hours*; revision in Course Description to denote COM 4455 as a capstone course.
- COM 4459. Change in Course Number to 3459; change in Course Title to *Communication and Conflict*; change in Prerequisite to *COM 1109 and 60+ credit hours*; change in Course Description to more accurately reflect the content of the course.
- COM 4460. Change in Prerequisite to *COM 3375 and COM 3435; or permission of instructor*.
- COM 4465. Change in Prerequisite to include *and COM 3435 and 90+ credit hours*.
- COM 4480. Change in Course Title to *Communication Theory*; change in Prerequisite to *COM 3435 and 60+ credit hours*; change in Course Description to reflect that this is no longer a seminar course.
- CSIS 2101. Change in Course Prefix to *IS*; change in Course Title to *Computers and Your World*.
- CSIS 2301. Change in Course Prefix to *CS*; change in Credit Hours to 3-3-4; change in Prerequisite to *MATH 1112 OR MATH 1113 (co-requisite)*.
- CSIS 2302. Change in Course Prefix to *CS*; change in Credit Hours to 3-3-4; change in Prerequisite to include *AND either MATH 1112 OR MATH 1113*.
- CSIS 3210. Change in Course Prefix to *IS*; change in Course Number to 3220; change in Prerequisite to *IS 2101*.
- CSIS 3510. Change in Course Prefix to *CS*; change in Prerequisite to *“C” or better in CS 2302*; change in Course Description to more accurately reflect the content of the course.
- CSIS 3530. Change in Course Prefix to *CS*; change in Prerequisite to *“C” or better in CS 2302*; change in Course Description to more accurately reflect the content of the course.
- CSIS 3580. Change in Course Prefix to *CS*; change in Course Title to *Data Warehouse and Business Intelligence*; change in Prerequisite to *IS 2080*.

- CSIS 3600. Change in Course Prefix to *IS*; change in Course Number to 2060; change in Course Title to *Systems Analysis*, change in Prerequisite to *IS 2101*.
- CSIS 3650. Change in Course Prefix to *CS*; change in Prerequisite to “*C*” or better in *CS 2350, CS 3401, and CS 3610*.
- CSIS 4305. Change in Course Prefix to *IS*; change in Course Number to 3760; change in Course Title to *Web Development II*; change in Prerequisite to *IS 2040*.
- CSIS 4400. Change in Course Prefix to *IS*.
- CSIS 4420. Change in Course Prefix to *IS*; change in Course Number to 3780; change in Prerequisite to *IS 3040*.
- CSIS 4490. Change in Course Prefix to *IS*.
- CSIS 4500. Change in Course Prefix to *CS*; change in Course Title to *Advanced Data Communications*; change in Prerequisite to “*C*” or better in *CS 3510 and CS 3530*.
- CSIS 4520. Change in Course Prefix to *CS*; change in Course Title to *Distributed Systems Development*; change in Prerequisite to “*C*” or better in *CS 3401, CS 3610, and CS 4500*; change in Course Description to more accurately reflect the content of the course.
- CSIS 4555. Change in Course Prefix to *IS*; change in Course Number to 4560; change in Course Title to *e-Business Systems*; change in Prerequisite to *IS 2040*.
- CSIS 4575. Change in Course Prefix to *IS*; change in Course Number to 4550; change in Prerequisite to *90 credit hours*.
- CSIS 4580. Change in Course Prefix to *CS*; change in Prerequisite to “*C*” or better in *CS 2302 and CS 3610*.
- CSIS 4620. Change in Course Prefix to *CS*; change in Prerequisite to “*C*” or better in *CS 3610*.
- CSIS 4650. Change in Course Prefix to *CS*; change in Prerequisite to “*C*” or better in *CS 3402 and CS 3610*.
- CSIS 4730. Change in Course Prefix to *CS*; change in Prerequisite to “*C*” or better in *CS 3530 and MATH 3332*.
- ECE 3330. Change in Course Description to reflect the elimination of field experience as a mandatory component of the course.
- ECE 3350. Change in Prerequisite to include *EDUC 2130*.
- EDMG 3300. Change in Credit Hours to 3-0-3; change in Prerequisite to include *EDUC 2130*.
- EDMG 4406. Change in Course Title and Credit Hours to reflect removal of seminar portion of this class; change in Prerequisite to include *EDMG 4407*; change in Course Description to reflect aforementioned changes.
- EDUC 2110. Change in Credit Hours to 2-1-3; change in Course Description to reflect the reduction in mandatory field experience hours.
- EDUC 2120. Change in Course Description to reflect the reduction in mandatory field experience hours.
- EDUC 2130. Change in Prerequisite to *Admission to Teacher Education*; change in Course Description to correct grammar and eliminate redundant text.
- FLED 4480. Change in Prerequisite to include *EDUC 2130* in place of permission to student teach.

- GEOG 3360. Change in Course Title to *Geography of Asia*; change in prerequisite to *GEOG 2105 or GEOG 1101*; change in Course Description to more accurately reflect content of the course.
- GEOG 3398. Change in Prerequisite to *GEOG 4405 for GIS internships, or at least 15 hours of upper-division geography courses for non-GIS internships*; Course Description revised to better reflect the content of the course.
- GWST 2999. Change in Course Number to 3040; change in Prerequisite to *ENGL 1102*.
- HIST 1110. Change in Course Title to *Introduction to World History*; change in Course Description to more accurately reflect the content of the course.
- IS 3580. Change in Course Title to *Data Warehouse and Business Intelligence*; change in Prerequisite to *IS 2080*.
- KSU 1101. Change in Prerequisite to *None*; change in Course Description to more accurately reflect the content of the course.
- MAED 4416. Change in Prerequisite to include *EDUC 2130*.
- MATH 3316. Change in Course Title to *Rational Numbers and Proportional Reasoning for Elementary Teachers*; change in Prerequisite to *MATH 2008*; change in Course Description to clarify course as a continuation of MATH 2008.
- MATH 3317. Change in Course Title to *Geometry and Measurement for Elementary Teachers*; change in Prerequisites to include *admission to Teacher Education*; change in Course Description to clarify course as a continuation of MATH 3316.
- MUED 3301. Change in Prerequisite to *MUSI 2222, EDUC 2110, acceptance into Teacher Education Program*.
- MUED 3302. Change in Prerequisite to *MUSI 2222, EDUC 2110, acceptance into Teacher Education Program*.
- MUED 3303. Change in Prerequisite to *MUSI 2222, EDUC 2110, acceptance into Teacher Education Program*.
