### CIP Code Update:

Effective January 2, 2017 the Office of Academic Affairs assumed responsibility for the management of CIP codes for university curriculum.

With the assistance of the Registrar's Office and the Office of Financial Aid, we have begun an audit of current CIP codes to validate our data and ensure compliance with all Federal requirements and guidelines.

We ask the cooperation of all faculty and Department Chairs during this process as we may need your input as the content experts in your fields.

We will continue the practice of reviewing CIP information for program changes in Curriculum proposals. If you need assistance with CIP code information please contact Amy Jones at [ajone545@kennesaw.edu](mailto:ajone545@kennesaw.edu) or [Curriculog@kennesaw.edu](mailto:Curriculog@kennesaw.edu)
